

March, 2011

I hope that you're enjoying Spring! It's not too warm yet, but we know it'll be coming!

We had a fantastic turn-out for Parent-Teacher Conferences in our class: 100 % participation. I enjoyed a chance to visit with all the families.

Please don't forget that the Iowa Test of Basic Skills (I.T.B.S.) is coming soon. This year it is being taken later than it usual. We will be taking it during the week of April 11-15. We will be test on reading, math, and science. You will hear more about this in the next few weeks.

We will meet and listen to a real author speak next week. Sarah Prineas, author of The Magic Thief, is coming to Muscatine. We read this book in class. It is quite an adventure story! We look forward to seeing the author soon.

Mrs. Pusateri
