

Date: December 1, 2010

Students are looking forward to their Christmas party! It will be next Wednesday, December 22, starting between 2:15-2:30.

If students wish, they may take part in a gift exchange. Fifth graders may spend up to \$5.00 on a gift. A girl should buy a gift appropriate for another girl, and a boy should buy a gift appropriate for another boy.

In the past, we have had appetizers, such as cheese, crackers, popcorn, sausage, veggie/meat/fruit platters and dips, as well as a beverage, and some sweet treats.

I have noticed if there are too many sweet treats, many of them are thrown in the trash at the end of the party.

If you are willing to send a treat with your child, please let me know by writing a brief note in your child's assignment notebook. I know the kids will appreciate anything you are willing to send.

Thanks for your support!

Pam Ziegenhorn
