

Grant School PTO Meeting Minutes from Tuesday September 21st 2010

President, Kerry Dalbey, called the meeting to order at 6:35 pm.

Those present were: Janice Smith, Kerry Dalbey, Vicki Jones, Julie Kundel, Connie Harder, BreAnne Halloran, Jennifer Peterson, Jason Wester, Karen Stern, Janet Morrow-Greene, Matt Hoeper, Andrea Hoeper, Linda Shay, Sara Comstock, and Becky Wichers.

Mrs. Wichers gave an update about the District. Vacuums were purchased for the buildings out of District funds and the PTO will not be responsible for the \$500 allotted so those funds can be returned to the treasury.

Minutes for the May and Executive Board meeting were read and approved as such.

Treasurer's report was read (see report). Budget for the 2010-2011 year was presented by Matt. (See report). The motion was made by Karen to approve the budget and it was seconded by Connie, the motion carried.

Becky's hours @ Grant will be Monday all day and then Tuesday thru Friday she will be in the building until noon. When Becky is at Colorado Jason Wester will be with us to assist staff and parents. Welcome Jason!

Hon will be our business partner throughout the year. Emphasis will be on reading. Eight to twelve people will be coming over to assist students on a daily basis.

Discussion was had regarding the portable PA. The buildings system "died" and a replacement is needed for Super Start and assemblies. Connie made a motion to purchase a new system with a cap price of \$600. Vicki seconded this and the motion carried.

Kerry reminded everyone that there are volunteer opportunities available.

The Fundraiser packets will be going home this Thursday. What ideas do people have for the school? We need ideas from parents and students about what to do with the money raised.

Face book page is up and running. Please check it out!

Janice brought up concerns about the damage done to the playground during the construction. Becky will address this with the District.

Meeting adjourned @ 7:20 pm

Respectfully Submitted,

Julie Kundel
